

Optional Fence Installation Instructions

The Fence is an add-on accessory that easily snaps into the Lip Extender. The Fence acts as a barrier to kicked litter and also promotes full entry of your cat into the globe.

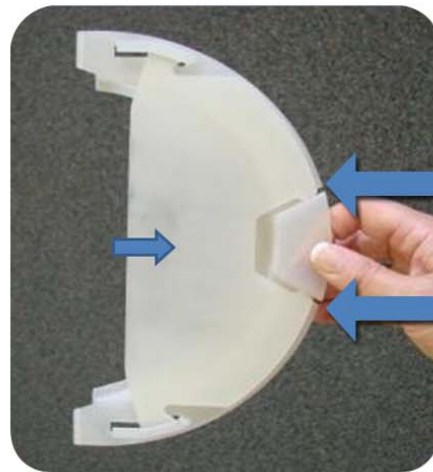

Optional Fence

Lip Extender

1. Align Fence with back side of Lip Extender and slide ears into pockets.

Latches snap into slots.

2. Continue sliding Fence toward base of Lip Extender until small latches snap into slots on Lip Extender.
