

Installing the Litter-Robot 4 Waste Liner Holder

This dispenser attaches inside the back of the Litter-Robot 4 waste drawer and conveniently stores a 25-pack roll of waste drawer liners.

How to install

1

- ✔ Remove the waste drawer from the Litter-Robot 4 by pulling out the handle/step.

2

- ✔ Empty and clean out any waste from the drawer.

3

- ✔ Once emptied, turn the waste drawer upside down and find the 2 screw placements.

4

- ✔ Align the 2 screw holes on the Waste Liner Holder with the 2 screw placements on the drawer.

5

- ✔ Use a screw driver to install the 2 screws.

6

- ✔ Open the Waste Liner Holder's lid, add a the roll of bags, and close.

7

- ✔ Slide the drawer back into the Litter-Robot 4.

8

- ✔ Press the Reset button to recalibrate the scale. Waste Liner Holder holder is now ready to use.
